OH! — the Outdoor Happiness movement Announces Support of Hiwassee River Blueway McKee Foods Proudly Supports River Improvements in Tennessee

Collegedale, Tenn. — McKee Foods proudly announces its support of improvements to the Hiwassee River Blueway in Tennessee with a grant provided through OH! — the Outdoor Happiness movement. This grant will be used for amenities that include signage, picnic tables and benches. Construction is expected to begin soon.

The Hiwassee River Blueway spans four counties and is more than 60 miles long. It is home to some of the best trout fishing in the eastern United States, as well as excellent white-water kayaking and rafting. It also features the beautiful Cherokee National Forest and picturesque views of farmland and historic areas. At least 20 river access points ensure you can find your outdoor happiness all along the Hiwassee River Blueway.

“I’ve spent many hours standing in the Hiwassee fishing for trout”, said Mike McKee, President and CEO of McKee Foods, “so it gives me a great appreciation for this resource. We’ve made 19 grants in 19 states since we launched OH! – the Outdoor Happiness movement. I’m proud that our first grant in my home state of Tennessee is also the first grant to go to the Blueway.”
